

MAJESTIC VIEW MINISTRY

AUGUST/SEPTEMBER 2009

Dear Family and Friends,

We thank the Lord for the people He sent our way during the month of July and August. The fellowship was great and work was done. Many of the trees by the ball field were limbed (we can actually find foul balls now), logs came off the hill to peel for railing, cut on the sawmill, and some to chop into firewood, signs were painted, tile was laid, and log steps were put in the Carolina Cabin.

Nathaniel De Jong from Orange City, Iowa, has stayed on to work with us for awhile and has been getting a taste of life at camp when groups are not around. He has experienced the continued building and maintenance, visitors (often people who have been at camp sometime in the past) who stop by for a few hours or a day or two on their "way through", working out to make a living, a trip or two to the "big city" for necessities, some "family fun" going to the kids' play and visiting the fair in North Idaho, etc.

As some of you know, our Nathaniel and Abigail were involved in the two week Missoula Children's Theatre Camp and performance in August. We are extremely proud of both kids as Abbie's expressive face and body gestures added so much to her part, and Nate had us laughing with his "Red Skelton" type antics for his character in one section of the performance. Thank you to those of you who were praying for the kids during this time. It was great to hear how many other Christian kids there were at the camp and that they were able to have times of Bible study and fellowship.

***If My people who
are called by My
name will humble
themselves, and
pray and seek My
face, and turn from
their wicked ways,
then I will hear
from heaven, and
will forgive their
sin and heal their
land.***

2 Chronicles 7:14

The month of September finds us starting school for the kids, continuing the work around camp on cabins and the fire hall, getting ready for a Ladies' Retreat mid-September, planning for Basket Retreats in Iowa and Eastern Montana in October, making sure there is enough firewood for the winter, getting some training in using our "new" fire trucks and gear, and Grandma (Carolyn) Hudlet taking trips to Idaho to be with other grandchildren.

As our hearts are heavy for the state of our country, we pray that Christians will stand together strong with God and His Word as our guide. We have often thought of 2 Chronicles 7:14 and know it is speaking to us today just as much as it was said to the Israelites so many years ago. Thank you to all for your continued support.

Clyde and Janet Miller
