This summer the theme was *Jesus is the Rock*. All of the messages and verses center around this theme. We are happy to say that quite a few finished all the verses even though there were more verses this year than we have had in the past. A few even started on their second sheet which was 1 Peter 1:3-25a. Some made a commitment to work on the verses at home.

**According to the grace of God which was given to me, as a wise master builder I have laid the foundation, and another builds on it. But let each one take heed how he builds on it. For no other foundation can anyone lay than that which is laid, which is Jesus Christ. 1 Cor. 3:10-11**

Most people would not build a house without a foundation but many have not thought about the foundation on which they have built their lives. This summer several people accepted Jesus into their hearts and lives and are now building on a life with Christ as their foundation and security. We continue to pray that we would always share and lift up the Lord Jesus Christ in all that we do.

had doors and windows are basically sided. In June we installed a donated irrigation system in the center of camp, and to date we are enjoying green grass. (The deer are enjoying it, too.) The A-Frame carport and storage were put together to form a garage and storage. More lights were put in or raised around camp to make the paths easier to follow after dark. We are thankful to all who came and/or supported the work this summer and for the team of people God has put together in this ministry.

## Summer Staff

We all greatly missed Herb “Grandpa” Hudlet and shed some tears as we went through some “firsts” without him. He has had a hand on every project around camp. Thank you for your prayers of support.

We had less summer staff this year but were very blessed by the ones who were here. **Jen Wynia**, a 17 year old girl, from Canton, SD, joined us for 6 weeks. What a blessing she was! Not only did she help Janet and Grandma in the kitchen, she also ran kids into

town for swimming lessons, helped with the work crews when there was “free time” from the kitchen, and was a great example of a young person seeking the Lord and what He would have her to do. She was an encouragement to all of us.

Also, **Steve Webster** has been with us full-time since the middle of January and he was a great help to Clyde as he is always willing and able to help wherever needed. Our kids have

## Grandma Hudlet

Please pray for **Carolyn Hudlet** as her physical activities have been reduced due to heart problems. However, she was able to slalom water ski over the Labor Day weekend—she said it was easier than walking fast. Grandma is not a candidate for bypass surgery at this time as her arteries are too small. It is comforting to read Psalm 139 and to know that God is the One who made her with these arteries. Her life is in His hands. Please also pray for Grandma as she continues to adjust to life without Grandpa Hudlet. Masami, a foreign exchange student from Japan, who lived with Herb and Carolyn about 25 years ago surprised Grandma for her 73rd birthday on July 15th. What a special time that was for all of us!

## Uncle Hubert

On July 3, 2005, Hubert Cummings “Uncle Hubert” went to live in his heavenly home with Auntie E by his bedside. He had celebrated his 90th birthday in March. He has

been an example of a life given in service to our Lord. After many years of farming in Southern Idaho

and working in ministries there, Uncle Hubert and Auntie E traveled with MMAP for 8 years, and worked at Majestic View Ministry for several years before moving to Florida to live with their daughter. They actively supported missionaries and ministries around the world.

Many will remember Uncle Hubert and Auntie E especially in the earlier years of the ministry. They built and lived in the Caretaker Cottage (which has been used as the Camp Office for the past couple of years). Hubert and

also enjoyed having a “big brother” and he feels like one of the family.

All of the kids helped again this year. **Loren** spent much of his time keeping up with the

lawns, **Mark** took care of

housekeeping, **Luke** and **Alex** ran errands,

and **Nathaniel** and **Abigail** ran the Snack N’ Store. All of the children helped with work projects. **Grandma**

was “dishes and desserts” again, **Janet** headed up the kitchen, and **Clyde** did

EVERYTHING.
