Baskets Retreats

Friday and Saturday

October 10-11, 2008

&

Monday

November 3, 2008

Come for one or both retreats for a time of not only learning how to make a basket, but reading from God's Word, and sharing in a time of fellowship and fun with other ladies. Both classes will be taught by Janet Miller who has become a "basket case" in the past couple of years making almost 300 baskets to give away, and a few to sell to help the camp ministry. She made her first basket 14 years ago making an average of 2 baskets a year until two years ago when she visited a basket supply store and "stocked up." Since then she has enjoyed

making 3-4 baskets a week. Janet especially enjoys making baskets with a personal touch for the ones who receive them.
