

MAY 2009

MAJESTIC VIEW MINISTRY

Fixing our eyes on Jesus, the author and perfecter of faith, who for the joy set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God.

Hebrews 12:2

Dear Friends and Supporters,

May has been a month of running kids to ballgames and practices. It has been a fun time that Janet looks forward to, with the kids, as fast-pitch softball was her favorite summer activity growing up. Luke and Alex have been supportive although they would prefer to stay home and ride their bikes during the games.

We had two groups here over the Memorial Day weekend. A local group of ladies were here for a scrap booking retreat and five from Snohomish, WA, were here for their annual weekend of helping at the camp. We were able to eat our meals (except breakfast for the ladies) in the pavilion. It begins to feel like summer when we are able to eat outside again.

Some work has been done on the fire trucks getting them ready for use. We are very thankful for the new one donated by a fire station in Illinois. We are still in need of funds to do the concrete floor. We will not do it until all the money is in.

One project that needs to be done soon is pouring concrete and getting the donated walk-cooler in place for use in the pavilion. The old refrigerator seems to be on its last legs. This new cooler will be placed on the backside of the pavilion and will make it much easier since it has much more space. Taking the old refrigerator out will allow extra counter space in the kitchen. It will still be a small kitchen but every extra spot helps. We will also be able to put in the new donated chest freezer in the enclosure.

We would like to finish up the three unfinished cabins. It seems like we have been saying that for awhile, but it takes volunteers and financial gifts to get them done. All in His time.

We pray for Christians, that they will be the shining light and the salt of the earth that they are called to be. It seems that more and more are willing to compromise, rather than to stand strong.

Please pray for our ministry as both numbers and finances are down for this summer.

Clyde E Miller—Director
